NOVEMBER 2021
HIGHLIGHTS

TRAUMA SPEAKS: FIRST WORKSHOP

We had a successful first workshop as an organization! Veniel Espanol, the dance instructor, was amazing in teaching choreography via Zoom. Although there were some difficulties like technological issues, our participants enjoyed dancing!

TRAUMA SPEAKS PODCAST

Things have been busy with Trauma Speaks that we have not been able to keep up with weekly episodes, BUT this month we dropped 2 episodes for you! Check out Trauma Speaks on all platforms, including Amazon Music!

ONLINE COACHING

Trauma Speaks is now providing online coaching services. What is coaching? Coaching is unlocking a person's potential to maximize their own performance. For more details, visit our website and if interested, schedule a free consultation with us!

KO-FI SHOP

You can now support us on ko-fi! We just opened our membership tiers where you can access different benefits depending on your preferred tier: rookie, advocate, guru. Some benefits you can access by becoming a member are: early bird registration to our events, discounts to our online coaching or free workshop entries, and many more! Visit our ko-fi shop by clicking [here](#).
